SUBCOMMITTEE REPORTS

FACILITIES - Dan Berg -

- .Baseball and softball games have officially started and fields are holding up well.
- Scheduling is also completed for all levels. Dealing with some minor changes due to conflicts but overall the process has been smooth.
- New baseball mound is needed for the 50/70 field.
- Need to come up with a better and safer way to move portable mounds from the Mansfield Park 50/70 field and Civic Club Field. They are very heavy and get damaged too quickly the way it's working right now.
- Township has removed old play equipment at Mansfield Park in preparation for the new equipment install. Area is all fenced off. (Reminder to residents to avoid area should be sent out again)
- The Mansfield Concession stand has been cleaned and reorganized with the Special Events Committee and everything looks good.

NBIAA -Blaze Pecenak/Colleen Herbert -

- Blaze, Dan and I attended the NBIAA meeting. We made a good team and I thank them for attending!
- With regards to the NBIAA 501-3-C. They are NOT tax exempt anymore. Andrew, the president, informed us that he inherited the mess of the tax exempt status being defunct (which I can attest confirm). He and his accountant has made several attempts to have it reinstated with no success. Therefore, NBIAA is paying taxes and is not considered non exempt anymore.
- We also talked about the equipment for the regionalized coaches. Mansfield expressed the issue with giving equipment and not getting back AND not collecting any money for registration fees. NBIAA maintains that storage is an issue for them. They received our message loud and clear. I am not sure what we are issuing this year, but it is imperative we track the equipment and get it back at the end of the season.
- There will be an invoice coming from NBIAA for the basketball season for officials. Sabrina, please don't pay any invoices from NBIAA until you discuss with Paul. There have been minor, unintentional issues in the past with some inaccuracies in their billing systems and Paul and I would always discuss before paying.
-
- NBIAA was very thankful to Mansfield for hosting the State Tournament. Honestly, this is BIG for our Township. We met with Mike Vasil to discuss the expectation and the execution for the Tournament. Tournament will be held at Civic and 50/70 in Mansfield Park late June/Early July.. We will be purchasing screening for the backstop, repairing the batting cage. Sabrina has no idea what to expect and we need to be as prepared as possible so it's not a last-minute rush.
- NBIAA did receive the donation from the developer in Chesterfield. I asked what it was it used for and I was told to fund the district teams last year. I told them that parents always used to pay their own way for that. I guess that is the "old way"..who knows.. They were apparently down to zero in their account, so this allowed them to catch up and to build a cushion. They are going to request another donation this year as well..
