VII. SAFEKEEPING CUSTODY PAYMENT AND ACKNOWLEDGMENT OF RECEIPT OF PLAN.

Purchase of any Permitted Investments that involve securities shall be executed by a "delivery versus payment" method to

insure that such Permitted Investments are either received by the Township of Mansfield or by a third party custodian prior to or upon the release of the Township of Mansfield's funds.

To assure that all parties with whom the Township of Mansfield deals either by way of Deposits or Permitted Investments are aware of the authority and the limits set forth in this Plan, all such parties shall be supplied with a copy of this Plan in writing and all such parties shall acknowledge the receipt of that Plan in writing, a copy of which shall be on file with the Designated Official(s).

VIII. REPORTING REQUIREMENTS.

On the first day of each month during which this Plan is in effect, the Designated Official(s) referred to in Section III hereof shall supply to the governing body of the Township of Mansfield a written report of any Deposits or Permitted Investments made pursuant to this Plan, which shall include, at a minimum, the following information:

- F. The fees incurred to undertake such Deposits or Permitted Investments.
- G. The market value of all Deposits or Permitted Investments as of the end of the immediately preceding month.
- H. All other information which may be deemed reasonable from time to time by the governing body of the Township of Mansfield.

IX. FUND BALANCE POLICY.

- A. The Township shall establish or maintain a target fund balance of 5% of the previous year's adopted budget (net of grants and the reserve for uncollected taxes (the "Target").
- B. Amounts appropriated in the ensuing budget which reduce the fund balance below the target balance for the purpose of reducing the ensuing year's property tax levy, may be made only upon a specific vote of the Governing Body.
- C. If a drawdown of the fund balance creates a structural imbalance of the Township's budget, without the reasonable expectation of regenerating such amounts drawn down during the budget year, a plan shall be developed to restore fund balance to the Target balance within a three-year period.
- D. If the year-end available fund balance, based upon unaudited figures, is for any reason below the Target, then, to rebuild the fund balance toward the Target, no more than 80% of the surplus generated in the prior fiscal year shall be appropriated as a revenue in the succeeding year's budget.
- E. The Governing Body, by vote, can declare a fiscal emergency and withdraw any amount of General Fund balance for purposes of addressing the fiscal emergency. Any such action must also provide a plan to restore fund balance to the Target balance within a five-year period.

F. This policy will be reviewed by the Governing Body every three years following adoption or sooner at the direction of the Governing Body.

X. TERM OF PLAN.

This Plan shall be in effect from January 1, 2022 to December 31, 2022.
